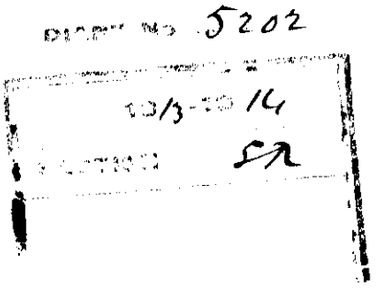
SUBJECT No. 634.

Finger impressions.

Mr. Nadig Siddappa, Honnali taluk,

Summary of Representation.—Vendors of court-fee stamps and impressed stamp papers do not at present keep any record of the names of persons to whom the stamps and stamp papers are sold by them. Consequently stamp papers purchased by some are often taken by others for defrauding the public. It is therefore prayed that a rule may be framed requiring the stamp vendors to take finger impressions of the purchasers of stamp papers.



The same representation / came up before the D R Assembly in previous years and the replies given were as follows

Subject no 188 - 1911 ..... Unnecessary

196 - 1910 ..... Impracticable

117 - 1907 ..... Not necessary

2 At the time of the last Assembly the Dy Secy (the present Secretary) noted as follows on the above representation

It was decided in 1911 that the suggestion was unnecessary and impracticable leads to complications and clogs the sale of stamps
